

SCRANTON TENNIS CLUB 2020 Play Programs

LEAGUE PLAY is free to STC members and requires meeting a designated level of play and signing up for season by May 24th with coordinator. Matches are based on a predetermined set season schedule. Players are personally responsible for rescheduling matches or finding a comparable substitute if unable to play. No-shows will be dropped from leagues. This is best for players wishing to commit to a season of weekly, competitive, scores-recorded play. Members who meet level of play requirements can also sign-up as substitutes at any point in season.

ORGANIZED PLAY is free to STC members and requires meeting designated level of play requirements, signing up for weekly invite emails with coordinator, and RSVPing in advance of play date.
