

SCRANTON TENNIS CLUB 2025 Play Programs

LEAGUE PLAY is free to STC members and requires meeting a designated level of play and signing up for season by May 21st with coordinator. Matches are based on a predetermined season schedule. Players are personally responsible for rescheduling matches or finding a comparable substitute if unable to play. No-shows will be dropped from leagues. This is best for players wishing to commit to a season of weekly and competitive play. Members who meet level of play requirements can also sign up as substitutes at any point in season.

ORGANIZED PLAY is free to STC members and requires meeting designated level of play requirements, signing up for weekly invite emails with coordinator, and RSVPing in advance of play date. Coordinator arranges matches. Most Organized Play matches follow STC Court Open Rules after their first set is completed and players are waiting on the porch. This is best for players who wish to play regularly, but who cannot commit to a full season. Organized play offers competition and rotating partners throughout season. Members can join an invite list at any time during the season.
